

**STRATEGICOM**

# StrategiCom partners with Microsoft to power your business to do more with less

## FIND FASTER, BUY BETTER, SPEND SMARTER

**StrategiCom** provides a one-stop-shop to find, buy, and manage all your technology subscriptions in one place. From productivity tools like Teams and Microsoft 365 to cloud-based platforms like Azure and Dynamics 365, our dedicated team of experts will find the optimal Microsoft solutions for your unique cloud journey.

## 01- FIND AND BUY THE LEADING MICROSOFT SOLUTIONS

---

### Simplify solution discovery

Work with Microsoft experts to identify the right solutions for your organization’s evolving needs and areas of opportunity with no upfront cost or obligation.

### Self-serve Marketplace

Bring an e-commerce experience to the procurement process with an internal marketplace for you to find and buy all the services that power your business.

Microsoft 365

Improve productivity and collaboration

Microsoft Defender

Secure identities and protect information

Microsoft Azure

Simplify desktop management and reduce IT costs

SAVE TIME | REDUCE COSTS | TAKE CONTROL

## 02- MANAGE YOUR SUBSCRIPTIONS

### Subscriptions

Take control of your subscriptions with a single location to view, manage and even update subscriptions for your organization.

### Billing and invoices

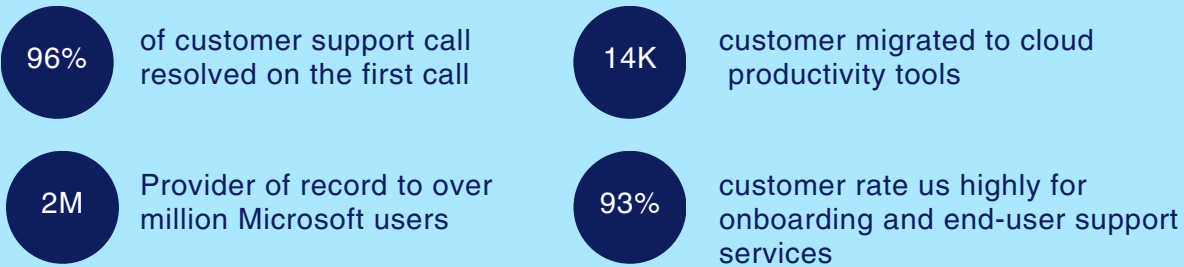

Gain a better understanding of your SaaS spending with a clear view of all your invoices in one place. Save time with a single location to pay invoices.

## 03- ACCESS MICROSOFT SUPPORT ANYTIME, ANYWHERE

Gain 24/7 access to the technical support you need to successfully use and manage your Microsoft Office 365 productivity suite with SmartSupport

- FAQs, "How-to's" and troubleshooting support for End User
- Troubleshooting assistance for Admin
- Technical issues requiring escalation and intervention from Microsoft

### StrategiCom has helped millions of Microsoft subscribers on their cloud journey

### Learn how Microsoft can help your business succeed

Join us for a free, one-hour, action-oriented workshop based on best-practices recommendation where we'll demonstrate how Microsoft 365 can solve key business challenges, and help you build a trusted foundation for remote work.

**Talk to your Advisor about booking a Microsoft Envision session.**

With a catalog of over 1000 solution, we're here to provide you with unbiased advice for the solution that is best suited for your business needs:
